

The Friends Foundation presents the 2008 Benefit Pageant

The Friends Foundation Benefit Pageant is a staged celebration, recognizing pageant candidates who are helping other children.

Candidates ages are newborn through 12 years old.

This event is an opportunity for children and their families to have fun, learn compassion for others and share.

It's easy to help!

1. Sign up.

2. Collect donations.

3. 1¢ = 1 vote.

4. Turn in donations
at the festival booth
to be tallied.

5. And SMILE on
stage for all your
friends and family!

Friends Foundation Mission Statement

The Friends Foundation 501(c)(3) is organized and operated to fund health education programs and to support life enrichment projects for children affected by infectious disease, including HIV/AIDS. Funding for these projects is received in conjunction with the Benefit Pageants, special events and from personal and corporate contributions.

Support for life enrichment programs is offered to qualified agencies and organizations working with pediatric infectious diseases. Identifying health care agencies is done with the help of the state Department of Health.

Locally, support includes offering health education activity books to elementary schools. If programs exist in area school districts, the Friends Foundation offers financial assistance to those programs with the input of local School Superintendents.

Nationally, pediatric HIV/AIDS programs such as Camp Heartland are given our support on a continuing basis. In 2005, emergency aid was extended to the New Orleans' Pediatric AIDS clinic following Hurricane Katrina. Internationally, the IU/Kenya Project, working with orphans and families in the HIV/AIDS epidemic in Africa, receives our ongoing contributions.
